## MESSAGE FROM THE PRINCIPAL

As we head into Spring Break, our students completed their third quarter and are ready to begin final nine weeks of the school year. Our teachers and students have been working very hard, and we look forward to warmer weather and finishing the year strong. Practices for all spring sports (boys tennis, track & field, softball, and baseball) are in full-swing, and students and coaches look forward to facing the competition. We are extremely proud of the accomplishments of all winter athletes who competed in various sports this year. Congratulations goes out to our girls basketball team as they showed vast improvement from the prior season by finishing with a 14-8 record overall, and to the wrestling team as five of our wrestlers qualified for the OHSAA District Wrestling Tournament. We are equally proud of the successes of our Quiz Bowl Team who were victorious on the televised program Academic Challenge that aired on WEWS Channel 5 News Cleveland. Students in grades 8-11 have completed their schedule requests for next year. I encourage everyone to speak to their child about their course requests and contact their counselor with any questions or concerns. Over the next few weeks, the administration will begin to build the master schedule for the 2019-2020 school year. Also, during the month of April and the first week of May, students will take their End-of-Course (AIR) tests. Please stay informed by checking our website, following us on Twitter (@FIELD\_HS and @falconathletes), and on Instagram (FIELD\_HS). As always, I want to thank the Field community for their continued support and encouragement.

GO FALCONS!

## SPRING HIGH SCHOOL MUSICAL

### My Fair Lady May 3-5, 2019

Field High School Drama Club presents *My Fair Lady*. Friday, May 3rd, Saturday, May 4th at 7:00 p.m., and Sunday, May 5th at 2:00 p.m.

Tickets are sold at the door. Cost is **\$8 for general admission and \$5 for students/seniors.** **Synopsis:** Eliza Doolittle sells flowers to make her living on the streets of London. She has a chance meeting with Professor Henry Higgins, who is a scholar of the English language. Eliza hears the professor boast to his colleague, Colonel Pickering, that he could take her out of her station in the gutters just by refining her speech. She contemplates his boast and promptly decides to ask for lessons. The Colonel (sophomore Khinawa Marler) is not certain such a transition of stations is possible, so he proposes a bet to the Professor. If Miss Doolittle can be transformed into a lady before the Embassy Ball, the Colonel will foot the bill for the entire experiment. Eliza (sophomore Eliana Smith) proves to be a more challenging pupil than anticipated. Professor Higgins, (played by senior Brice Sweazy), will have his work cut out for him. With classic songs such as, *Would't It Be Lovely*, *With a Little Bit of Luck*, and *On the Street Where You Live*, the stage is set for a hilariously heartfelt adventure. Will Higgins and Eliza be able to understand that they can't just push their differences aside? Could it be possible that they both need to work towards change? Will the pair be able to learn anything from one another at all?
