RE: ESSA Parents Right to Know

Dear Parent/Guardian:

As part of the federal *Every Student Succeeds Act*, you have the right to know the teaching qualifications of your child's classroom teacher. The federal law requires that any local school district receiving Title One funds must notify parents that they may ask about the professional qualifications of their child's classroom teacher.

These qualifications include:

1. Whether the teacher has met the Ohio Teaching licensing criteria for the grade level and subject areas in which the teacher provides your child's instruction;
2. Whether the teacher is teaching under emergency or temporary status that waives state licensing requirements;
3. The undergraduate degree major of the teacher and any other graduate degree or certification, such as National Board Certification held by the teacher and the field of discipline of certification; and
4. Whether your child is provided services by instructional paraprofessionals and, if so, their qualifications.

You may ask for the information by returning this letter to your child's school or contacting the curriculum office at bethany.hudson@fieldlocalschools.org or 330-673-2659. Please provide the following information with your request.

Child's full name: _____

Sincerely,

Bethany Hudson, Director of Curriculum
