PRINCIPAL'S MESSAGE

Dear students, parents, and staff,

As we step into November of 2023, there's a lot to look forward to at our school. First and foremost, the hard work and dedication of our students will be recognized as we distribute first-quarter report cards by the end of the week, celebrating their academic achievements. On November 3-5, be sure to mark your calendars for the Fall Play, *His Girl Friday*, a captivating performance that showcases the talent and creativity of our drama department. On November 8th at 6:00 p.m. representatives from The University of Akron and other area colleges will present information about the CCP process and how to apply.

Attendance is mandatory for any student applying to CCP in Spring 2024. We're also excited about the upcoming NHS Induction Ceremony at which we welcome several new members into the National Honor Society. Just prior to the Thanksgiving/Fall break, our students will participate in the S.O.A.R. Student Incentives Volleyball Tournament on November 22nd. Additionally, the winter sports seasons are about to kick off with wrestling, boys and girls basketball, and Field High School's inaugural season of bowling. Collaboratively, we cultivate a nurturing atmosphere where our students flourish, and we enthusiastically embrace the potential of every school day. GO FALCONS!

Mike Geraghty Principal, Field High School

FHS DRAMA CLUB PRESENTS:

HIS GIRL FRIDAY

Reporter Hildy Johnson, (senior, Olivia Jenkins) stops in to inform her ex-husband and boss, Walter Burns (played by sophomore, Titus Smith), that she is getting married and leaving the newspaper business for good. Burns is distressed by this news and hatches a harebrained scheme to keep Hildy on the paper. It involves getting her fiancé, Bruce Baldwin, (sophomore, Brian Dahlke) to agree to let Hildy write one more story about Earl Williams (junior, Thatcher Conrad) who is a working-class man - some say in the wrong place at the wrong time. He shoots a police officer, killing him. Molly Malloy, played by sophomore, Kaylie Shepherd, is Earl's only friend. Earl is to be hanged for his crime, but is he truly guilty? Or is he just a pawn in the political scheme between the town's Mayor (junior, Taylor Hogan) and the Sheriff played by freshman, William Leyland? Can Hildy write a story to save a man's life? Is there truly any power in the press? The gang of newspaper reporters played by junior, Ali Kulic, sophomores, Kalen Bennett and Andrew Hudson, and freshman, Vee Reese do not disappoint in their performances.

Join us as the Field High School Drama Club Presents: *HIS GIRL FRIDAY*, on Friday, November 3rd, at 7:00 p.m., Saturday, November 4th, at 7:00 pm (doors open @ 6:30 both nights), and Sunday, November 5, at 2:00 pm (doors open @ 1:30).

Tickets will only be sold at the door. Prices are \$8 for general admission and \$6 for students and senior citizens. Concessions will be available before the show and during intermission. You can also try your luck by purchasing 50/50 tickets with the drawing held during intermission. Please come and see this fantastic performance and support our drama club at FHS!

Field Local Schools Renewal

November 7, 2023

Know The Facts!

Field Schools has placed two issues on the November 7 ballot. The first is a 10.75 mill operating issue and 1 mill for permanent improvements. The second is a 7.3 mill operating issue. These issues were last passed in May of 2019 and are up for renewal. A levy renewal does not include any new millage.

Operating money pays for all aspects of the district. It pays for teachers, custodians, bus drivers, cafeteria staff, tutors, computers, textbooks, supplies, fuel, and food. That is not a complete list, but just part of what operating money pays for. The renewal of the operating issues will allow the continuation of district services and programs at current levels.

Permanent Improvement money is used for physical items / improvements with a lifespan of 5 years or more. Funds generated from passage of the Permanent Improvement levy five years ago were used to rebuild the parking lot on the main campus and fund building and grounds repairs and improvements. Going forward, permanent improvement money will be used to maintain and improve existing buildings, grounds and facilities.
