Driving to school and parking on school grounds is a privilege given to students who exhibit responsible behavior. Only students that have a valid Ohio driver's license and insurance will be given the opportunity to purchase parking permits.

Remember: Parking is a privilege- not a right. These privileges may be revoked if you violate school rules or operate your vehicle in an unsafe manner at any time on school grounds.

Parking Permit Rules

1. Report any vehicle changes or updates, in writing, to the main office.
2. Follow school rules, policies, and procedures.
3. Students must park in their assigned space only. If there is someone in your space, report it to the office (take a picture on your phone to show the main office). Failure to report will result in a parking violation which will result in a parking ticket.
4. Display a valid parking permit at all times.
5. Transferring a parking permit to another student is not permitted.
6. Obey the parking lot speed of **10 mph** (Speeding/reckless driving will result in the automatic suspension of parking privileges and possible consequences from the Brimfield Police Department.)
7. Parking in a fire lane will get your vehicle towed and a ticket from local law enforcement.
8. Students are not permitted to be tardy to school. **Students who drive to school and are chronically tardy or absent are subject to suspension of their parking privileges.** The length of the suspension will be determined by the number and frequency of tardies and/or absences.
9. Falsification, duplication or any fabrications of parking permits will result in the loss of parking privileges for an extended period of time which may extend into the following school year. Violations of this rule may result in the student(s) being denied an opportunity to purchase a legal parking permit.

A \$10.00 ticket will be issued for a parking violation. If not paid the \$10.00 fee will automatically be added to a student's school fees.
